MEMORANDUM

2/15/65

(date)

To: Mr. Robert H. Reid

From: J. L. Vaughan

I have been giving further thought to the coat-and-tie matter concerning the students. With a new college just beginning, I would counsel moderation in announcing any regulations in this matter. As you know, the students are very much more prone to learn by example than by edicts. As we get on into the third and fourth years there will be a good deal more of a desire to establish a dignified tradition. In other words, handle this thing with a light touch.
